**Lead with Impact:** Strategies for Growth, Visibility, and Influence

**A Professional Development Experience for the Moving & Storage Industry**

Winters, CA | July 31 – August 1, 2025

### **Why Attend?**

In the midst of our industry's busiest season, strong leadership requires more than endurance — it demands clarity, strategy, and the ability to elevate others.

Lead with Impact is a hands on experience, designed to strengthen influence, build visibility, and equip professionals with practical tools that support long-term company growth.

You'll Gain Tools To:

- ✓ Delegate with confidence and free up **strategic** time
- ✓ Build a professional brand that **attracts** trust and opportunity
- ✓ Communicate **clearly** in fast-paced, operations-driven settings
- ✓ Influence from any seat to drive internal and external **success**

### **Who Should Attend**

You can't miss this opportunity to learn among industry leaders, grow your network and connections, gain access to a community of professional women in the moving and storage industry.

This event is open to professionals at all levels committed to expanding their leadership, building visibility, and growing their impact in the moving and storage industry. We would love the opportunity to have diversity of skills and experiences in the group, operations, administration, warehouse and clerical workers are invited!

**All are welcome.**
